HELPING OUR COMMUNITY SINCE 2014

OGA MEMBER FINDS & RETURNS FAMILY HEIRLOOM

OGA member Scott Michelsch had an opportunity to recover a family heirloom of a co-worker. His co-worker's stepson Matt, had inherited a sterling silver St Christopher necklace from his Grandfather who wore it his whole life, including the Korean war and the Vietnam war (he received 2 Purple Hearts, one in each war). Matt's Grandfather passed away last April.

SAVING HISTORY

Bethel Historical Society

OGA member Chris Whelan presented the Bethel Historical Society with a collection of historic deeds, papers, photos and family histories. Many of them dating back to the 1770s and describe early settlement of that site with handwritten records by early pioneers.

OGA member Ed Baker Donates Historical Finds back to the community!

OGA member, Ed Baker found some old coins under the concrete of the Trenton Bethel that was being torn down. Ed decided to donate the coins to the Trenton Historical Society so that the entire community could enjoy this small piece of cultural history. Shown below is a letter from the Trenton Historical Society as well as pictures of the coins.

I wanted to let you know that the suspect in the shooting that you assisted me with took a plea deal this week. He was sentenced and shipped off to prison for the next five years.

I appreciate y'all helping us out.
